CNA WOOD: Are you making a wood for the CNA Convention this year???? Why not give it a try.

FREE WOOD OF THE MONTH: In 1984 Jim Deluney made 500 woods, printed in black, to announce birth of Janice Leslie Gair. Janice is the daughter of Cheryl and Robb. She is back working at our office again, and expecting again.)

COLLECTING WOODEN MONEY, TOKENS, AND SOUVENIRS

By NORM BELSTEN PART #1

WHAT'S OUT THERE TO COLLECT

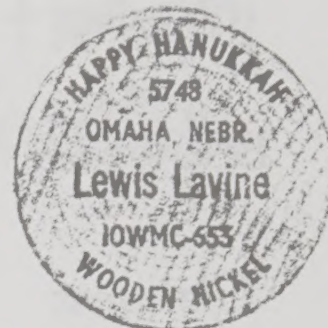

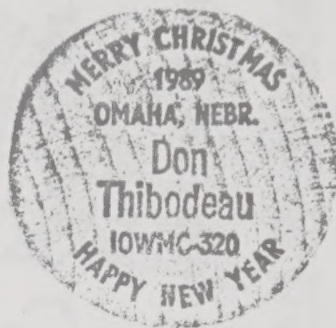

Well now, you think you would like to collect Wooden Money, but don't know where to start. The first thing to find out is what's available to collect, next is to learn where to obtain the Woods, and finally, the types of Woods you want to collect.

Let's deal with what Woods have been issued to date. If you are lucky, you may get your hands on Norm Wells' Canadian Wooden Money Book, however this book now out of print, is very hard to obtain. A new Catalogue of all woods issued in Canada is being produced but is not yet available, hopefully in the next few months. Since Norm Wells passed away, Howard Richardson and I issued a revised format supplement for woods not listed up to Nov. 1987, this was followed by a listing of woods issued up to June 1988 handed out by me in memory of Howard Richardson who also passed on. Most collectors use the Numbering system set up by Norm Wells in his catalogue of Canadian issues to list their woods, but if you collect Maritime Woods, there are two fine Catalogue issued by Glenn Rodger and David Taylor. The two books cover all Maritime issues up to early 1989 and use the Atlantic Provinces Wooden Money numbering system. Write to Glenn Rodger at Comp. 122-site 4, S.S.#3, Fredericton, N.B. Canada E3B 5W9. All listings and catalogues show the wood colours, mintage, place of issue, rarity, when data available, along with any other information that will help the collector. If your interest is mainly in United States Woods, catalogues by Emil Di Bella, M. Wayne Dennis and Tom Hudson, and I think a listing of Dairy Queen woods, although the Catalogues have been out of print for some time I think they may still be available from M. Wayne Dennis at 1852 Golden Shadow Dr., Henderson, NV., 89015. For the Dairy Queen listing try writing to George S. Hill at 1514 N. Grant Ave., Kittanning, PA. USA 16201. The main difference between a Catalogue and a listing is a Catalogue has pictures, a listing doesn't. Part two will deal with how and where to acquire Woods.

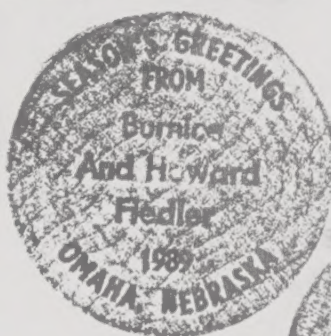

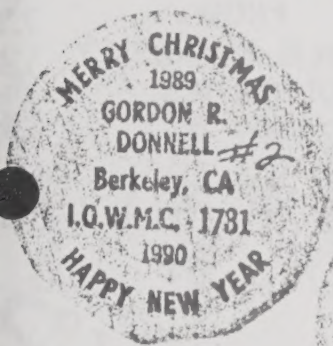

NEW FIND: Al Munro does it again! He showed me another wood he managed to locate. The side shown on the left is printed in red, the one on the right is in blue.

CHRISTMAS WOOD: The wood printed on the left was issued by Richard Bell, Hwy. 36 RR 4, Lakefield, Ontario KOL 2H0 Canada. It is hot-stamped in green and red. Richard will trade for your Christmas wood. The wood on the right is printed in red and was issued by Don Thibodeau and Lewis Lavine. They are available from Don at 20¢ each or 2 - 35¢ plus a self-addressed envelope and 40¢ for postage (U.S. funds). Write: D. J. Thibodeau, 4327 Corby Street, Omaha, Nebraska, U. S. A. 68111.

The wood on the left is printed in green and red and was issued by Gordon R. Donnell, 1960 San Antonio, Berkeley, Calif. U. S. A. 94707. They are available for 70¢ Cdn. or 50¢ U. S. postpaid or will trade for your Christmas wood - each pay own postage. This is Gordon's second issue. Also below are two wood from Rita Stankiewicz, 58 Shanley Street, Cheektowaga, New York, U. S. A. 14206. Rita will provide collectors with her Christmas wood for a SASE.
